

All Saints Catholic College Transition News

Love • Serve • Learn

Judged OUTSTANDING - Full Diocesan Inspection, 2018 "This school continues to be good." Ofsted 2017

26th June 2020

College Prayer

Heavenly Father, bless our school. Let trust, peace and love live here. Teach us to love and serve with the special gifts that you have given us. Holy Spirit give us patience, wisdom and courage so that we may work together, united in Christ. Amen.

Another week has passed and we are now onto our third Transition Newsletter! Thank you to all those who have completed the first two challenges. Please remember these are completely optional but are there to try and benefit you and support you with your transition to high school. We have been so impressed by the responses we have been receiving, so a big well-done to all!

This week's newsletter 'Meet the team' section will focus on key members of staff who are usually based in our STAR Centre. On our usual transition day this would be one of the places that we would identify on your school tour. Please read more about our key staff based in the STAR Centre to find out how it, and they, support students.

Mr Carragher, Mrs Pickles and Miss Brennan

Meet key staff here at All Saints

Every week, we will introduce you to key staff here at All Saints.

Miss O'Grady - SENDCo
Mrs Lyell - Assistant SENDCo

We are Miss O'Grady, the SENDCo and Mrs Lyell the Assistant SENDCo. We work in the STAR Centre supporting anyone who needs any additional help. We work with all the teachers in school, and with outside agencies to make sure that you are supported in your journey through All Saints. We look forward to meeting you in September.

Mrs Plunkett-Clegg - STAR Centre

My name is Mrs Plunkett-Clegg and I am the Safeguarding Officer. Part of my role is to facilitate positive relationships with students and their families, ensuring that support is offered where needed. This support can be both at school and within the family. I also work with students who are a Young Carer.

Miss Bell - STAR Centre

Hello, my name is Miss Bell and I work in the STAR Centre. I support pupils on a one to one or small group basis who may have personal issues, have difficulties with their emotions and feelings and who may experience problems in or outside of school. I am always available if you need someone to chat to. I look forward to seeing you all in September.

Weekly Challenge

This week's challenge is: To complete the All Saints school building quiz.

This challenge is to hopefully give you an insight into our school building and some of the key places.

Use the school maps which can be found on the Transition page of our website (www.aschc.com) to help you complete the quiz at the following link: [School Building Quiz](#).

Remember you can choose which challenges you want to complete and we will be awarding prizes in the autumn term to students based on their effort levels!

Your chance to ask questions

There will be an opportunity for you to hear from our students and key staff members. If you have any questions for our students about transition or your start in September, please click on this link to submit them: <https://rb.gy/9gh6jo>
